GREY SECTIONS TO FILL OUT

Before you start

Before you complete this form it is important that you:

- read the relevant **TelstraSuper Product Disclosure Statement** and **Insurance Guide** available at telstrasuper.com.au/pds
- if you already have insurance cover, log into SuperOnline to confirm how much you have
- use our **needs calculator** to estimate the type and amount of cover you may need based on your circumstances and then use our **premium calculator** to estimate the cost of your premiums. The calculators and further information are available at telstrasuper.com.au/changingcover

Alternatively, you may wish to discuss your insurance options with a financial adviser. To speak with an adviser from TelstraSuper Financial Planning call **1300 033 166**.

To transfer any Death only, Death & Total and Permanent Disablement (TPD) and/ or Income Protection cover you currently have with another super fund or life insurer, you will need to complete a **Transfer External Insurance Application** form available at telstrasuper.com.au/forms

Did you know that you can increase your existing Death & TPD insurance cover within 90 days of a Life Event occurring? To find out more read the relevant **Product Disclosure Statement** and **Insurance Guide** available at telstrasuper.com.au/pds

Completing your application

You will be taken through your insurance cover application by an MLC Limited (MLC Life Insurance) Tele-Underwriting Consultant at a scheduled time, which can take between 30-45 minutes, depending on your responses to the medical, health and lifestyle questions.

If you identify as non-binary, eligibility may depend on you nominating a binary gender. This is because the relevant premiums are based on binary gender (male/female) pricing. You will need to discuss this with your MLC Life Insurance Tele-Underwriting Consultant.

Important information

Election to keep your insurance cover

By completing this form, you have taken the active step of applying for insurance cover and therefore you're **deemed to be electing to keep all of your insurance cover** now, and in the future. This includes if you transfer to a different TelstraSuper product.

This will ensure that you won't lose your insurance cover as a result of legislation covering low account balance (less than \$6,000), inactivity (your account does not receive a contribution for 16 months) or if you're under 25 years of age.

To make an election to maintain insurance only in particular circumstances and not all of the circumstances specified above or if you want to make any changes to your insurance arrangements contact us on **1300 033 166**.
